The Academy of Construction Technologies (aka ACT program) is celebrating 25 years!

Since 1992 the ACT program has successfully impacted over 2500 high school students in Orange, Osceola, Seminole and Volusia county. In addition to celebrating 25 years of placing pre-trained, ready-to-work students with industry members, this year we introduce a new mission statement:

"To create an atmosphere that will inspire ACT students as we educate, train and prepare them for a successful career in construction"

Your membership, corporate sponsorship or personal donation will continue a tradition of excellence in education and on-the-job training opportunities for ACT students. Complete the membership form TODAY and invest in our industry's future!
